TEBOHO NTHAKO

FULL-STACK JUNIOR SOFTWARE
DEVELOPER

PROFILE

I'm a passionate and results-driven Junior software developer with a focus on creating seamless and impactful web applications. My technical toolkit includes JavaScript, Typescript, React, Firebase, SQL, Restful APIs, Git, and a knack for crafting responsive designs.

I thrive on turning ideas into deployed projects that not only meet but exceed client expectations. My commitment to clean code, attention to detail, and dedication to continuous learning has been key to my success in the dynamic world of software development.Proficient in building robust front-end solutions using React and ensuring a seamless integration with back-end systems through Restful APIs
